Fort Lauderdale/Hollywood
International Airport

South Florida's Largest General Aviation Business Complex

As part of South Florida's largest general aviation business complex, our property houses over 350,000 square feet of real-estate in which our 24-hour, full service FBO is located. The Fort Lauderdale/Hollywood International Airport is one of the nation's fastest growing international airports. Sheltair is located just minutes away from Fort Lauderdale International Airport's main terminal, downtown business district, shops & restaurants, Port Everglades, and the famous beautiful beaches of South Florida. So whether business or pleasure, our Fort Lauderdale FBO is an excellent option to land your business and your aircraft!
