

MLB

Melbourne International Airport

200,000 SF Of Hangar Space

Sheltair is located on the north side of Melbourne International Airport (MLB), was developed and has been operational since 1990. The complex includes: over 200,000 square feet of individual aircraft T-hangars; large corporate aircraft facilities with office and shop space; and full-service FBO. With plenty of site-ready land available for development at MLB, Sheltair is ready to assist you in the planning, design and construction of your large-scale hangar complex of up to 500,000 square feet. Expansion is underway at the Sheltair MLB complex which includes new hangars and support shop space available for custom design/build requirements in sizes ranging from 4,500 to 8,000 square feet.

Property Features

- Small/Large T-Hangar Options
- Large Box Hangar Options w/ Hydro-Swing Doors
- Exclusive-use corporate hangars from 7,500 sq. ft. to 17,000 sq. ft.
